2) Sobre o que os textos no início da unidade tratam?

Fala sobre os diferentes tipos de computadores e suas utilidades. Aborda desktop e laptop, seus usos e estrutura do equipamento.

3) Nesta unidade você viu alguns exemplos de tipos de computadores. Elabore um texto simples em inglês e diga qual o tipo de computador que você tem ou que conhece.

I have had computer contact since I was a child. As a teenager I worked with assembling and maintaining computers, I always kept counted. I am currently graduating in information technology. I have a common PC nowadays, but I know other models like PC gamer, notebook and others

4) Elabore pequenas frases em inglês descrevendo cada tipo de computador existente.

Desktop
- They are big and heavy;
- They are easy to maintain;
- Easy parts update.

Laptop
- Light and practical;
- They are small and have easy mobility;
- In general, they are more expensive than desktop computers.
